Product Information Sheet

karim COLLECTION by omnimount

Prism 50

In partnership with celebrated industrial and interior designer Karim Rashid, OmniMount is proud to introduce the Karim Collection – a line of home theater furniture that is both fashion-forward and functional. Each piece in the collection utilizes different materials, shapes, finishes and geometries and is designed to be accessible to all. With a unique, trapezoidal design, the Prism 50 represents the perfect union of both form and function. High gloss finishes in black and white are sure to give any room a polished look.

Partnering with world-renowned industrial and interior designer Karim Rashid is just one way OmniMount is revolutionizing the home theater furniture industry
