Moda COLLECTION by omnimount

Morello 50FP

With unique and contemporary designs, the Moda Collection of home theater furniture strikes an ideal balance of aesthetics and functionality. Each piece in the collection – which includes everything from tables to wall furniture – is designed with ample space for components and cable management with an emphasis on high design. With a harmonic blend of real wood veneer and glass, the Morello Series certainly bridges the gap between traditional and contemporary. These elegantly refined pieces are sure to complement today's home theater environments. The Morello 50FP is uniquely designed to be used as a flat panel floor stand or separate video table and mount, with a clean, unobstructed view to showcase multiple audio and video accessories in style.

Cables are neatly routed and concealed inside the supportive posts or tuck neatly out of sight with the help of integrated cable clips
