LCD/Plasma floorstand
EFF 8340 BLACK

If you want extra flexibility to place your flat screen TV anywhere in the room, Vogel's 8000 Series floor stand is the perfect solution. It takes up less room than a cabinet, and you can still mount a DVD player or game console under the TV. It offers more advantages. You can turn your TV 30 degrees 2-ways for easy viewing and adjust the height to the best position. Cables and power socket are tucked neatly out of sight inside the foot piece. The EFW8340 floor stand is also available in a black & white combination.

If you need to place more AV equipment, additional AV multi supports (EFA 8825) are available.
