CORE COLLECTION by omnimount

Elements 403FP

The Core Collection is OmniMount's tried and true furniture collection made up of two different series of steel and glass A/V furniture. With clean lines, black glass and various high-gloss finishes, these pieces blend seamlessly into any environment. The Elements Series has an all-in-one design and exclusive interchangeable color inserts that reinvents A/V furniture with an adaptable approach to displaying flat panels and components. Ideal for A/V enthusiasts looking for extreme décor flexibility, the Elements 403FP can display medium to large flat panels in three different configurations and comes with four interchangeable color panel options.

With interchangeable color inserts, the Elements 403FP can change its look as easily as you do
