Product Information Sheet

MWF8

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. Modular and customizable, OmniMount wall furniture offers a fresh approach to managing cables and components. Designed as an affordable, space-saving accessory to the Moda Wall Furniture System or as a stand alone piece, the MWF8 has a stylish look on the outside and ample room to wire cables on the inside. This do-it-yourself solution allows you to neatly organize components right under your flat panel without the need to run the connections through your wall.

Ample cable management room makes it easy to keep power and A/V cords separate and concealed
