

Product Information Sheet

MWFS

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. Modular and customizable, OmniMount wall furniture offers a fresh approach to managing cables and components. As an affordable, space-saving solution, MWFS is designed with a stylish look on the outside and ample room to wire cables on the inside. This do-it-yourself solution allows you to neatly organize components right under your flat panel without the need to run the connections through your wall.

Ample cable management room makes it easy to keep power and A/V cords separate and concealed
