Silhouette 65

With unique and contemporary designs, the Moda Collection of home theater furniture strikes an ideal balance of aesthetics and functionality. Each piece in the line – which includes tables, wall shelves and wall furniture – is designed with ample space for components and cable management with an emphasis on high design. Architecturally-inspired slats aid in the cooling of A/V equipment, while a dark zebra finish highlights the natural grain of the real wood veneer. Designed with ample media and component storage room, the Silhouette 65 also features soft-close hinges and an acoustically transparent speaker cloth-covered space for concealing center channels.
