Product Information Sheet

G362

OmniMount an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. With a low profile appearance, integrated cable management and a floating shelf design, the Stellar Series is considered the perfect A/V furniture for large-screen LCDs, DLPs and components. The G362 is a 2-shelf video table for flat panels and DLPs up to 60", perfect for pairing with a matching audio tower.

Now offered in Dark – high gloss black with black glass – the Stellar Series is a perfect match for the newest high gloss panels and components

BENEFITS

- 2-shelf flat panel video table manages extra large flat panels, DLPs and multiple components
- Neatly route and organize wires through cable management post
- Unique floating shelf design
