Product Information Sheet

G3FP

OmniMount an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. With a low profile appearance, integrated cable management and a floating shelf design, the Stellar Series is considered the perfect A/V furniture for large-screen LCDs, DLPs and components. The G3FP is a large flat panel floor stand with sturdy component space built in.

Now offered in Dark – high gloss black with black glass – the Stellar Series is a perfect match for the newest high gloss panels and components

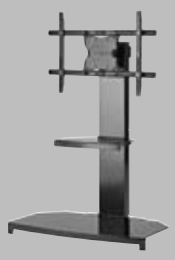

BENEFITS

- 2-shelf flat panel floor stand manages a large flat panel and multiple components
- Includes universal adapter for greater panel compatibility
- Neatly route and organize wires through cable management post
