LEDW120 product information sheet

Product Specifications

Fits most: 42” – 75” flat panels
Weight tested to: 480 lbs (218 kg)
Max recommended weight: 120 lbs (54.4 kg)
Mounting profile: .68” (17mm)
VESA compliant: 400mm and 600mm wide
Mounting: single-stud, solid wall or drywall
UL listed: Yes
Warranty: 5 years
Color: Black

Product Benefits

- Suspension System™ design hangs your TV just like a picture frame – quick, safe and flush to the wall
- Engineered for superior strength using aircraft-grade materials
- Designed with a flush profile to complement ultra thin TVs
- Compatible with LED, LCD, Plasma and 3D TVs
- Built-in kickstand supports panel off the wall for hassle-free wiring
- Retention clip secures cable for added safety
- TPR™ grips keep panel in place
- Four-point attachment allows for unlimited compatibility in height
- Eco-friendly product design and packaging
- Includes complete universal hardware kit plus three suspension cables for compatibility with all TV brands

The LEDW120 is engineered for a minimal profile and incredible strength using aircraft-grade materials.
