BDT 20

Blu-ray Disc™ player with BD-Live™ capability

Specifications

The Harman Kardon® BDT 20

isn't just an exceptional Blu-ray Disc™ player in the Harman Kardon tradition. And it doesn't just upscale your existing DVD library to the 1080p standard. The BDT 20 is also your ticket to a world of interactive content with BD-Live™ interactivity, an exciting new feature of next-generation Blu-ray Disc media. Download games, ringtones and other special content from the Internet directly to the BDT 20 via the Blu-ray Disc menu. Or create your own programming with MP3, WMA and JPEG playback from the front-panel USB port. The BDT 20 is the clear choice for high-definition video from any source.
