CCH1 product information sheet

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. The CCH1 shelf fits nearly any television, including today's popular DLPs, and its flexible design holds everything from center channel speakers to A/V components.

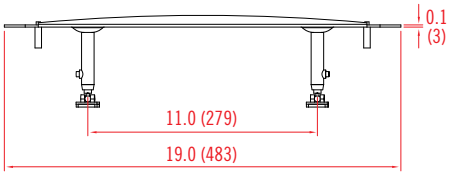

Product Specifications

Supports up to: 30 lbs (13.6 kg)
Color: Black and Platinum

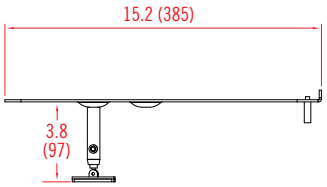

Product Benefits

- Can be used with most DLP and CRT televisions
- Holds A/V components above television
- Vented for component cooling
- Low profile, contour design
- Metal legs provide additional support and adjust for greater mounting flexibility

The unique CCH1 is a convenient and affordable way to support components on top of televisions
