Product Information Sheet

HTS1

OmniMount, a leader in home theater furniture and accessories, offers an impressive assortment of speaker stands. Functionality and aesthetics are equally represented across all lines, while unique features distinguish them from the competition. The HTS Series is designed to optimize ease-of-use, provide positioning flexibility and compatibility with a variety of speakers. With a sleek and unobtrusive look, they match everything from traditional to contemporary styles. HTS1 is sensible choice for small satellite speakers.

Although they appear very slim, there's still room to route speaker wires through the post
